

JOURNAL OF THE LEBANESE DENTAL ASSOCIATION- JLDA

CALL FOR PAPER SUBMISSION

Dear Colleagues,

I am delighted to announce the relaunch of the Journal of the Lebanese Dental Association (JLDA), and I extend a warm invitation to all members of the dental community to contribute to the journal. The success of this relaunch relies significantly on the valuable contributions from our dental colleagues, both from academic and clinical backgrounds. Your insights, research findings, and clinical experiences are vital to enriching the content of our national dental journal. We encourage you to submit your manuscripts, sharing your knowledge and expertise to foster the growth of our dental community. Together, we can make the JLDA a platform that reflects the excellence and diversity of dental practices in Lebanon. I look forward to your active participation in this exciting phase of the JLDA.

You may submit your papers on lda@lda.org.lb and am43@aub.edu.lb

Best Regards,

Anthony T. Macari, DDS, MS
Editor-in-Chief
Journal of the Lebanese Dental Association (JLDA)
